

EXPRESSION OF INTEREST FOR HOUSING PROJECTS

We, _____, confirm our interest in participating in the effort to develop “Intentional Community Housing” as outlined below.

Guiding Principles:

- The following are guiding principles:
- Shared value in working cooperatively and collaboratively with other service providers within and outside of the Ministry of Community and Social Services;
- Commitment to the rights of each and every individual supported, and increasing choices and opportunities for the individuals;
- We are working towards building a multi-unit housing project of at least 20 units in the next five years;
- Openly share planning and operating information with the rest of the Consortium;
- Recognize that the lead project consultant for the consortium will be the facilitator for each and every project and will delegate to local teams according to the team’s capacity/ability;
- Committed to having a senior member of our staff/lay leader act as liaison and provide no less than 10 hours per month for this initiative;
- Leverage the best deal for the Consortium to generate a collective benefit;
- Committed to providing if needed an initial investment to cover a portion of consulting fees related to administration and incidentals (transparent reporting will be provided for all expenses); We project a 1/3 contribution to a 2/3 matched by funder. The cost is estimated to be up to \$10,000.
